

FREE TRAINING

We regularly deliver a number of alcohol awareness and substance misuse courses which can be accessed by health and social care staff and other front-line workers working with the public

Full day training courses we deliver:

**Alcohol Awareness and
Brief Interventions**

**Substance Misuse Awareness
and Brief Interventions**

**Working With Families
Affected By Substance Misuse**

**Working With High Risk
Drinkers**

To book a place on our training courses go to
www.daas.uk.com

We can also deliver short talks and training sessions at
your organisation and attend promotional events
across Derbyshire

Any enquiries please contact the training team
